

## Geomedi PRODUCT FACT SHEET

Introducing Geomedi Custom Abutments to Bristol Crown. Geomedi's range of precision CM Fit abutments ready for customisation by you or designed by us if you prefer and milled in our Bristol Milling Centre.

Dual purpose intra oral and model scan flags available along with design libraries for Exocad and 3 Shape.

### Several possibilities:

- ✓ Send your design through our uploader portal for us to mill
- ✓ Send in your models for us to design and mill
- ✓ Send your intra oral scan though our uploader portal. We can design and mill your abutment and 3D print your models
