PRODUCTION TIMES

Standard production time is 2 days.

For example, if we receive your case on a Monday we will post it out to you on a Wednesday.

A 24 hour and same day production turnaround is available.

For 24 hour turnaround scans must be here by midday (12.00).
Additional charge £6.00.

For same day turnaround (only available for single copings, not bridges, ZrAdvance, or Vitality), scans must be hereby 9.00am.
Additional charge £15.00.

Large Span Bridges (8 units or more) may require extra time, so please allow an extra day in the lab.

NEW ACCOUNTS

Please return the application form to set up your account. We will email you a direct debit mandate form to fill in and return.

GUARANTEE

ZrSpeed®, JustZr™, ZrAdvance™, Vitality™, Explore™ 3D multilayer and Lava™ frames are guaranteed against fracture for five years.

e.max CAD®, Vita Enamic®, Vivid Hybrid™ and Pekkton® frames are guaranteed against fracture for one year.

PMMA™ is guaranteed against fracture for six months.

Custom abutments have a lifetime guarantee.

Products are not guaranteed against wrong shade selection or non-fitting due to faulty impressions/models/scans.

We guarantee to remake, not refund, any framework that is faulty.

All copings and bridges meet the requirements of the MDD and manufacture strictly adheres to the current recommendations.

Whilst we guarantee the correct construction process, we cannot guarantee any structure made on an unsuitable preparation, against adjustment or incorrect cementation, placement, etc.

TERMS & CONDITIONS

Our statement will be sent out by email at the end of each month and payment is required within 28 days by direct debit.

Overdue accounts will require payment before fresh work is undertaken.

In the event of non-delivery, damaged or faulty goods, please let us know within seven days.
